

Uu

Like opening an umbrella: With both hands in a fist, palms towards you and one resting on top of the other; move the top fist upwards.

umbrella

Ww

Draw a circle in the air: Start with both hands flat, palms out, pointer fingers touching and all fingers pointing forward. Simultaneously move hands apart and downwards in an arc, so that hands end palm up and blades of little fingers touching

communications@deafchildren.org.au

Yy

Like the shape of a yacht sail moving: Dominant hand flat, fingers together facing inwards, the other hand holds the wrist of the dominant hand and both hands make a sweeping motion away from the body.

yacht
