

Mm

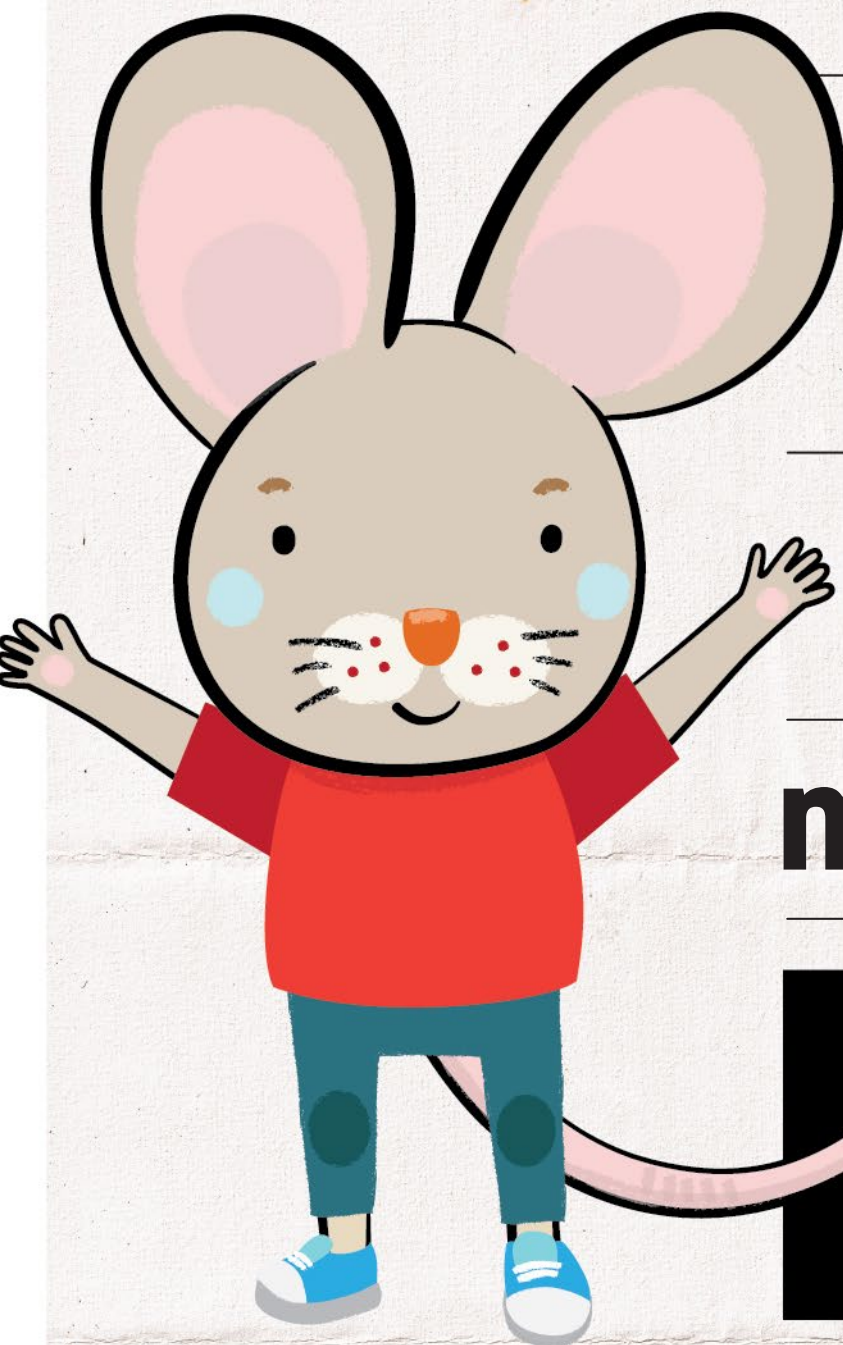

Think of a mouse sniffing cheese, twitches its whiskers:

With pointer finger curved, and fingertip resting under lips, move and rotate your hand at the wrist both left and right.

You throw the ball up to score.:

With hand slightly cupped upwards near ear, move hand upwards. May flick hand slightly forward at wrist at the end.

Oo

Think waving legs: With one hand near shoulder pointing sideways, the other pointing down and sideways to the side of waist; simultaneously move hands in two or more circles; bending and straightening pointer fingers.
